## AVON CLEAN ENERGY COMMISSION

### MISSION STATEMENT

The mission of the Avon Clean Energy Commission (ACEC) is to promote energy resource conservation through the use of renewable and efficient energy technology practices, with the ultimate goal of reducing our overall energy cost and carbon footprint. The Commission will ensure that the Town of Avon continues to fulfill its commitment to the Connecticut clean energy initiative of 20% by 2010 Campaign, and will continue to encourage community support through proactive community outreach and education using various forms of media. The Commission will also research, develop and strategically implement other programs and cost-effective initiatives that will focus on the long term sustainability and economic benefits for the community.

### GOALS AND OBJECTIVES

- Use of 20% renewable energy by 2010
- Town and BOE buildings efficiency initiative
- Transportation
- Clean/Renewable Energy Technology
- Funding
- Legislation
- Community Outreach and Education
- Establish a baseline of carbon emission levels and continually monitor
